

PROTECTION FROM INTERNET PORN

Download free Internet Filtering Software at SafeFamilies.org

THEY ARE TARGETING

Our Children & Families

- The adult industry says traffic is 20-30% children
- 9 out of 10 children between ages 8 and 16 have viewed pornography on the Internet, in most cases unintentionally
- 1 in 5 children has received unwanted sexual solicitations online
- 10% of adults admit to Internet porn addiction –28% of those are women
- Pornography is a \$10 billion business – bigger than the NFL, NBA and Major League baseball combined
- The Internet is a significant factor in 2 out of 3 divorces
- 100,000 websites offer illegal child pornography
- Approximately 20% of all Internet porn involves children

TOOLKITS FOR

Parents, Pastors & Ministry Leaders

- Learn how to protect your children online
